**TO ALL WOMEN.**

Wealth, Health and Beauty is the Trinity of the  
who rules the world. I have the best thing in,  
ON OR OUT of the earth for the three, and I will  
take no money until you are convinced at my ex-  
pense that V. O. is what every lady in the land  
needs. I am no quack with a nostrum, but a sci-  
entist with a discovery, nothing added or ex-  
tracted; sent by mail, as man's creator made it.  
Man never did, can or will compound an equal  
for woman's health, beauty and wealth. Don't  
sleep before answering this. Cut it out.
